

*products for laboratory and science furniture*

A photograph of a female scientist with blonde hair, wearing a white lab coat over a black shirt, safety glasses, and blue nitrile gloves. She is holding a small glass beaker containing a bright blue liquid and is smiling at the camera. The background is a bright, out-of-focus laboratory setting.

**Flexibilize your lab furniture!**

[www.labstream.com](http://www.labstream.com)

**Make lab furniture more flexible,  
that is what we focus on.**

The current desire to generate more speed and flexibility in laboratory research calls for a flexible work environment, which can be adapted easily to changing requirements.

Labstream offers smart solutions which fit perfectly in a modern flexible laboratory; all products are lightweight, easy to install, adaptable, easy to clean.

## DROP-ON & UNDERMOUNT SINKS KAPPA

Polypropylene sinks suitable for drop-on as well as undermount installation. For drop-on installation, a matching fixing set is available. PP strainer is included. Standpipe is optional.

DIMENSIONS (MM)	COLOUR
320 x 320 x 200	Light grey / white
400 x 300 x 250	Light grey
400 x 400 x 250	Light grey / white / black
450 x 450 x 250	Light grey
500 x 400 x 250	Light grey / white / black
600 x 450 x 250	Light grey
Round 350	Light grey

## UNDERMOUNT SINKS GAMMA

Polypropylene sinks for undermount installation, available in the materials polypropylene and HDPE. PP strainer is included. Standpipe is optional.

DIMENSIONS (MM)	COLOUR	MATERIAL
250 x 250 x 200	Black	HDPE
300 x 163 x 230	Black	HDPE
300 x 163 x 230	Light grey	PP
590 x 490 x 295	Light grey	PP
700 x 400 x 300	Light grey	PP

SPECIAL SINKS ALPHA SIGMA DELTA

Moulded sink-units for drop-on or wall-mount installation.  
Standard colour light grey RAL7035.  
PP strainer is included. Standpipe is optional.

MODEL	TYPE	DIMENSIONS (MM)
Alpha	Sink-unit	600 x 300 x 220
Sigma	Sink-unit	610 x 610 x 190
Delta	Wall mounted sink	565 x 475 x 235

DRIP CUPS

Available in several shapes and dimensions.  
Oval and round drip cups for drop-on,  
drop-in or undermount installation.  
Rectangular drip cup for undermount installation.  
Special drip cup for wall-mount installation is  
available as well.

DIMENSIONS (MM)	COLOUR	SHAPE
150 x 70	Light grey / black	Oval
230 x 75	Light grey / black	Oval
Round 140	Black	Circular
Round 80	Black	Circular
300 x 85 x 140	Light grey	Rectangular
300 x 120 x 111	Light grey	Wall-mounted
